USER GUIDE

Home Page

The home page displays a list of artwork images from the art institute of Chicago.

User can click one of the item to view its detail information.

Search Image

User can **SEARCH** artwork by typing keywords in this searchbar.

Detail Artwork

Each item that is clicked will go into the detail artwork page.
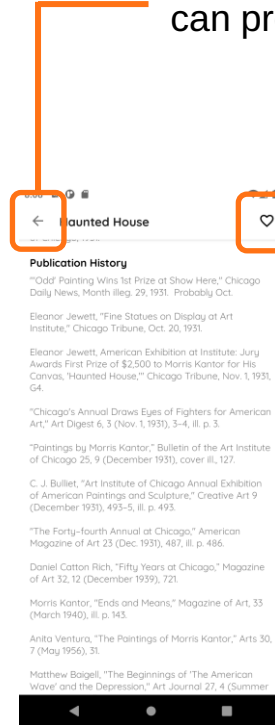

On this page, user will be presented with:
- Full size image
- Title
- Credit
- Inscription
- Provenance
- Publication history
- Exhibition history of the artwork.

To return to the previous page, user can press the **ARROW** icon.

User can also save artwork by pressing the **HEART** icon.

Saved Image

Any artwork that has been saved will appear on this page.

User can view detail information of the artwork by click one of the artwork items.

User can also delete saved artwork by pressing the **TRASH** button on each item.
